

# School Bus Safety Tips to Help Save Your Child's Life

According to the NHTSA, riding in a school bus is the safest way for your child to travel to and from school. However, the “danger zone” when approaching or leaving the bus poses the greatest risk for children. They should be especially careful in the area's in front, or on either side of the bus.

Children should also respect the bus driver and follow the rules while riding the bus and stay quietly seated on the ride to school. Here are a few school bus safety tips you can teach your child if he or she will be riding the bus to school this year:

## School Bus Safety Rules

1. Do not get on the bus until the driver says it is safe to do so.
2. Ask the driver for help if you drop something while getting on or off the bus.
3. Once on the school bus, go directly to your seat and sit down, facing the front of the bus.
4. When exiting the bus, look around for cars before walking away or crossing the street.
5. Do not wait at the bus stop alone.
6. Use the handrails when getting on and off the bus.
7. If you miss the bus, don't run after it!
