October – December	= 45 student days												
	89 days												
January - March	= 47 student days												
March - May	= 42 student days												
	89 days												

****As a Performance Qualified School District with enough instructional minutes within the school day, West Lafayette Schools' students do not have to be in session 180 days. Therefore, students will only make-up missed days when necessary due to weather-related or other cancellation reasons. This school district calendar ensures students are in session 178 days, but an additional two days may be subtracted if needed.**

Absences for Religious Instruction/Holidays

Please see WLCSC Policies 5200(g) and 5223
