WHAT?

A night of cultural entertainment, information, food, and dance brought to you by students from Lafayette and West Lafayette high schools as well as Purdue! Students sign up to host a booth (with friends or individually) to represent a culture/region and can display items of their choice (e.g. informative posters, decorations, food, music, cultural dances, etc). Cultural attire is encouraged for everyone, but not required! Table-hosters are encouraged to bring a dish from their culture, but not required, as we will also provide catering. This is meant to be a fun cultural event that our community and schools can participate in, and we're excited to see this come together!
