We are looking forward to having the pool once again full of middle-school-aged athletes (grades 6th-8th) interested in swimming!

The program costs \$100, which includes all coaching fees, a cap, and a T-shirt, officials payments.

No cuts will be made in the middle school program; practice is not required; however, **good attendance is very important. :-)**

Knowledge of backstroke and freestyle is helpful.

## Practices -

**Start Date - Monday, January 27th, 5:15pm**

**Season End Date - Thursday, March 13th with a fun day at the pool.**

- A practice calendar is attached! :-)
- Practices are Monday-Thursday each week at the Richard A. Wachs Jr. Aquatic Center in the Junior/Senior High School building. The pool entrance is Door #12.
- The first two weeks, January 27th-February 6th, will be 5:15-6:15 pm.
- Starting February 10th, our practices will be 3:15-4:30 after school.

**Equipment** - Swimsuit, towel, goggles, and a good attitude! :-)

**Meet Schedule - Coming soon! The practice calendar is attached.**

**Uniform** - We do not have a required team suit, however, a solid black competition swim suit is recommended for swim meets. If you need an additional Christmas gift idea - [Here is a link for a girls suit](#) and [here is a link for a boys swim suit.](#) Please let me know if I can answer any questions!

## **Communication - -**

Our main form of communication will be email. If you have any questions or concerns, please feel free to contact our coaches, Chris Klinge at [klingec@wl.k12.in.us](mailto:klingec@wl.k12.in.us) or Zack Antalis at [zantalis@yahoo.com](mailto:zantalis@yahoo.com)

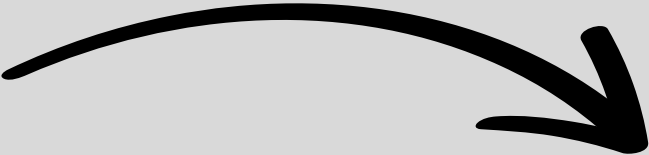

## **Boilermaker Aquatics Swimmers -**

For Boilermaker Aquatics athletes who are interested in swimming, we will encourage swimmers to attend at least one practice per week and all other practices with BA. The cost of the season for Boilermaker Aquatics athletes is \$60.

## **6th grade student/athletes -**

Coach Chris will walk the first week with the 6th graders after school from WLIS, and we will supervise them at the pool until practice starts. After that, swimmers may still walk and come straight to the pool after school, where I will be there to supervise. More details to come regarding this! :-)

Fees for the program can be paid online here (\$100) or here (\$60), with a check made payable to WLCSC or in cash when the program starts in January.
