

## DAILY ANNOUNCEMENTS

**March 3, 2026**

Please note: Announcements must be electronically submitted by 11:00 am to run the next day.

---

### MU ALPHA THETA

Mu Alpha Theta will be having a meeting **Tuesday, March 3rd**, at 7:35am in Mr. Polk's room (3109). Dr Mark Daniel Ward, Purdue Professor, will be joining us to share some insights about how scientists prepare research for publication in books and journals. He will showcase the Overleaf platform, a free environment for collaborative work on scientific documents. (It is necessary to sign up for Overleaf beforehand at [overleaf.com](https://overleaf.com).) Donuts and Capri-Suns will be provided to those who attend!

---

### FAMILY GAME NIGHT
