West Lafayette Community School Corporation / West Lafayette, Indiana, USA

## **International Student Application**

There is no application deadline; however, applications must be received with sufficient time for the student to be admitted, secure their visa in their home country, and be present for the first day of school in August. At least three months prior to the start of school is recommended.

Applications will be accepted beginning on January 1 for the following school year. Upon enrollment in August, international students will be placed in classes where space is available.

To submit the completed application and the supporting documents, email everything to Libby Sheffield at [sheffieldl@wl.k12.in.us](mailto:sheffieldl@wl.k12.in.us).

## **Residency and Parental/Guardianship Requirements**

West Lafayette Jr/Sr High School offers a day school program only; no boarding options are available. International students must physically reside within the WLCSC boundaries with at least one parent or a designated educational guardian who is over twenty years of age (i.e., at least 21 years old). If the student will not reside with a parent, it is the responsibility of the student's family to arrange for a guardian or host family who lives within the WLCSC boundaries. In that case, Form II: CUSTODIAL STATEMENT AND AGREEMENT: THIRD-PARTY CUSTODY must be submitted along with the International Student Application. An educational guardian must be able to provide financial support for the student. Proof of residency within the WLCSC boundaries must be submitted with the international student application.

## **Age/Grade Level Information**

West Lafayette Jr/Sr High School may only accept students who will enroll in grades 9-12. An international student will be enrolled in the grade level that is age-appropriate; advancement beyond the age-appropriate grade level will not be possible. WLSHS may also only issue an I-20 for one academic year.

## **I-20 Issuance (F1 Students Only)**

The admissions director may issue the I-20 to a student who is approved for admission by the principal. The student must have met the I-20 requirements. Go to [studyinthestates.dhs.gov](http://studyinthestates.dhs.gov) for more information.

International students seeking an I-20 will only be approved for a fall semester start. All international students must be present and begin school on the first day of the academic year in August.

### **International Student Tuition & Fees (F1 Students Only)**

International students requiring an I-20: One-time, non-refundable \$250 application fee  
International students' tuition of \$10,000 must be paid in full before the first day of school in August.

### **English Language Requirement**

West Lafayette Jr/Sr High School provides English Learner (EL) services. A student who is not a native English speaker must take the WIDA language assessment upon enrollment.
