RE: Permission to Apply for and Accept Annually Awarded Federal and State Grants

In accordance with policy 6110, I request the West Lafayette School Board of Trustees approve acceptance of any and all federally-funded grants available to the district in the 2025-2026 school year.

All grant uses will support at least one (1) Corporation goal or priority. Funds are awarded annually as long as re-authorized and funded by Congress and are primarily for staffing, professional development, equipment and supplies. **Federal grants currently available to the WLCSC include Title I, Title II, Title III, Title IV, Non-English Speaking Program, Migrant Education and McKinney-Vento funds. State grants vary.**

The administration of grants will adhere to all applicable Federal, State, local, and grantor rules and regulations, including the terms and conditions of the Federal awards, as well as Corporation policies and administrative guidelines. All Federal funds received by the Corporation will be used in accordance with the applicable Federal law and regulations and the terms and conditions of the Federal award. The financial management of grant funds shall be in compliance with all applicable Federal, State, local, and grantor rules, regulations, and assurances as well as Corporation policies and administrative guidelines.

I thank you for your consideration in this matter.
