RE: Investment Resolution

As a part of the consent agenda, the routine Investment Resolution has been included for the Board to once again approve the Resolution Authorizing the Investment of Public Funds. This resolution allows us to invest in Certificates of Deposits at banking institutions that have been authorized by the State Board of Finance and located within Tippecanoe County.

Please place this as part of the Consent Agenda for the September 8, 2025 board meeting. If you have any questions please don't hesitate to let me know.
