West Lafayette JSHS Goal #1

West Lafayette Jr-Sr High School will better support mental health of our students

Strategies to support

- MTSS (Multi Tiered System of Support)
 - Last year we had teachers identify “pillars”; non-negotiables for Tier 1 Strategies
 - Those teachers presented, modeled, and led discussion during our Spring PD
 - We continue to evolve and fine tune our process: Karri Huckstep, Mary Beth Boyd & Joe Tylenda
- Mental Health Resources
 - PYSI/Mental Health focus
 - Fall PD
 - 7th grade stations

West Lafayette JSHS #2

Building a culture of teachers learning from one another while sharing strategies, observing and discussing one cohort at a time.

- Summer PD of 7 Teachers
 - Created an Instructional Framework
 - Beginning Instructional Rounds this Fall
- Junior Highness initiatives
 - Incentives & Fun
 - Working on a new schedule for 7th graders to build time for a SH as well as interventions
 - This year the 1st 9 weeks our failure list was at an “all-time low”. Only 4 Ss with multiple F’s.
 - Shelby Johnson, Libby Sheffield, Mary Russell–Leadership
 - Buy-in from Teachers and then staff
