**A. Reopening Plan/2020-21 School Calendar**

**Recommendation:** Dr. Killion recommended the Board of School Trustees approve the Reopening Plan and revised 2020-21 school calendar. The Indiana Governor has provided executive orders for public schools to open. We will provide onsite instruction and virtual learning for those with medical necessities. Safety protocols are included in the plan. Masks will be required when social distancing is not possible. During registration a survey will be provided to determine preferences. The data will provide more information to consider an eLearning option for those interested in not sending their child to onsite instruction. We can expect the reopening plan to continue to change as more information is provided by the Indiana Governor's Office, Indiana Department of Education, and the State Board of Health Department.
