VI. INFORMATION TO THE BOARD

Mrs. Austin

- Attending Hoosier Women Forward 2024 Annual Luncheon on Wednesday, September 25, in Indianapolis with Representative Chris Campbell.

VII. BOARD AND SUPERINTENDENT REPORTS

Dr. Greiner

Appreciate the Partnership with the City of West Lafayette

- I would like to take an opportunity to thank Mayor Easter and the City of West Lafayette representatives.
- We had a productive meeting with Mr. Larry Oates about a potential partnership to address preventative maintenance needs for our tennis courts.
- The city recognizes that the courts are used by both students and the community and is interested in expanding recreational opportunities, such as pickleball.
- Mr. Oates has offered substantial funding support for renovations if we include pickleball striping for community use when not in school use.
- Mr. Oates will take a proposal to his Board proposing to partner with us by contributing financial support to help address our courts should we move forward with the GO Bond and address the courts in the near future.

Appreciate the Partnership with WLSEF

- I would also like to stress my appreciation for our partnership with the West Lafayette Schools Education Foundation (WLSEF).
- We are working on a Memorandum of Understanding to allow WLSEF to begin fundraising for renovations to the JSJS ground floor, including locker rooms and PE areas.
- The agreement will cover expectations for fundraising, timelines, contributions from WLCSC, cash flow, fund transfers, and naming rights.
- We'll keep the board updated as the partnership progresses to address these renovation needs.

Parent Council Meetings

- I would also like to report that over the past few weeks, I had the pleasure of attending two parent council meetings with Mrs. Cronk and Mrs. Roth.
- We're committed to strengthening connections and supporting our amazing parent volunteers, and we look forward to visiting again in the second semester.
- Beyond these scheduled meetings, we’re always happy to attend when requested by the parent councils.
- I want to personally thank all our families for their continued volunteer support, which plays a vital role in the success of our learning environment for all students here at West Side!

Appreciation to Our Current Board Members and Prospective Board Members

- Finally, some of you may be aware there has been some discussion about the upcoming school board election, including petitions for candidates and signatures of support.
- Recently petitions were posted on the website and you may have seen my support posted along with many others.
- I would like to publicly share what I shared with our Board most recently.
- I signed a petition for Mrs. Amy Austin, upon her request, in appreciation and support of her service and willingness to run again.
- While there seems to be some controversy around petition signatures, I want to clarify that I would have signed for any candidate running, whether current or prospective board members.
- I would not deny a signature when requested (assuming they meet qualifications to run).
- I was not asked by anyone else to sign a petition.
- I appreciate those willing to serve on the school board.
- While it may sometimes feel like a thankless responsibility, it is a vital role in ensuring the success of our schools and students.
- Thank you to all current and future candidates for your dedication.

Comment:

At our August meeting, Don Coller spoke about the negativity of Mrs. Mumford's monthly commentary. After the meeting, there was an assertion by Mrs. Mumford that Mrs. Austin, our board president, and Mr. Coller are neighbors and in turn Mr. Coller was allowed to speak longer than the stated allotted three minutes. I reached out to Mr. Coller about this assertion, and he responded as follows (and gave me his OK – some might use the word consent – to share this):

“No collusion or conspiracy. I had never met Amy, do not know where she lives; spoke to her for the first time after the meeting that night. Everything that I said is exactly my impression and opinion of the current situation. As I said, there was no conspiracy or collusion on Amy's part. No one put me up to it. My reaction to what I read is my reaction only.”

Mr. Marley

The Redevelopment Commission meeting was held on August 21, at 8:30 a.m. Highlights included the following:

 - 231 Purdue is \$6.1 million
 Totaling \$28.448 million, per year, that can be utilized for capital projects in the city of West Lafayette.
- Cason Family Park is still under construction.
- A new Public Safety Center is being planned with a rough budget of approximately 60 million plus.

- Exploratory work on a new Pre-K Center.
