

## MISSION STATEMENT

The staff of West Lafayette Intermediate School is committed to providing our students with a safe and enriching school environment that will allow every child to experience success, promote within each child a positive self-image, recognize the uniqueness and needs of every child, and will encourage acceptance of others.

## ACADEMIC HONESTY

Each student is expected to accept the responsibility for his or her academic honesty. Students found to be in violation of this section will be subject to disciplinary action.

## ATTENDANCE POLICY

Regular school attendance is important to the educational growth of students. Parents are encouraged to remind their children that consistent attendance and the completion of daily school assignments will result in a continuity of the instructional process, higher grades and a more enjoyable school experience.

Classroom attendance and participation of a student are critical elements of the learning process. The most productive use of teacher and student time occurs when students are prompt and in regular attendance. Absences and tardiness disrupt the teaching process and adversely affect student performance. A student's attendance pattern is evidence of a seriousness of purpose. Sixth grade students may be referred to the Attendance Intervention Referral program if absences total more than 14 days per school year (Minimum Attendance Rule). Fourth and fifth grade students may be referred to the Department of Child Services if a student accumulates more than 14 non-certified absences per school year.

The following attendance regulations exist to assist the parents and school team to work together to help students develop good punctuality and attendance patterns. There are two types of absence categories: either EXEMPT from the Minimum Attendance Rule or NON-EXEMPT/UNEXCUSED from the rule. The maximum number of NON-EXEMPT/UNEXCUSED absences allowable per school year is 14. Descriptions of the types of absences in each category may be found in this section.

### DEFINITIONS:

#### Exempt Absences:

Written verification must be presented for all types of exempt absences. The written excuses must be turned in to the office within 2 business days of the student's return to school. If no verification is submitted, then the absence will be marked non-exempt/unexcused.

The following absences are exempt from the minimum attendance policy:

- a. Absences due to medical or dental appointment with verification from a health professional.
  - ◆ A not redacted form completed and signed by an official health professional which includes the date and time of appointment.
  - ◆ If the appointment takes place during the school day, parents must come into the office and sign out your child.

- b. Hospitalization or students homebound with a medical condition with verification from a medical doctor.
- c. Personal illness due to an acute or chronic condition with verification from health professional.
- d. Other exempt absences:
  - ◆ Mandated court appearances (Indiana statute)
  - ◆ Death of member of household or immediate family with proper documentation for up to five days, if needed for travel. "Immediate family" is interpreted as including father, mother, brother, sister, legal guardian, grandparent, aunt, uncle, and first cousin.
  - ◆ Recognized religious holidays which are celebrated in the family's faith
  - ◆ Absence for an educational opportunity that is approved.

#### Non-Exempt and Unexcused Absences:

All other absences except those caused by school disciplinary suspensions and absences declared as truancy shall be considered **Non-Exempt or Unexcused**. Parents may use a parent approved non-exempt absence up to nine times per semester without violating the student attendance policy. (This includes illness, vacation, family business, etc.)

A non-exempt unexcused absence is documented when no verification is provided to the office within 24 hours of absence.

When a student has accumulated **seven** non-exempt absences, the parent/guardian will be notified. When the student has accumulated **ten** non-exempt absences a conference may be requested with the proper school officials and parent/guardian to determine the nature of the absences. When a student accumulates **13** non-exempt absences the parent/guardian will be notified and attendance referral programs will be discussed. Any non-exempt/unexcused absences beyond **14** may result in a referral to the Tippecanoe County Attendance Intervention Program and/or the Department of Child Services.

#### Tardiness:

A student who is not seated and prepared for class at the 8:00 a.m. bell is considered tardy. If a student misses the bus, it is the parent's responsibility to arrange for their child to get to school. West Lafayette Intermediate School students are NOT permitted to ride Elementary School buses. Excessive or habitual tardiness is defined as a student having been tardy five times in a semester. If a student is in attendance but late to a class, the student will be subject to the disciplinary rules of the teacher in charge of the class.

#### Excused Tardy:

Excused tardies will follow the guidelines listed under **EXEMPT absences**. These tardies must have written verification in order to be excused. The written excuses must be turned in to the office within 48 hours of the student's return to school. If no verification is submitted, then the tardy will be marked unexcused.

#### Unexcused Tardy:

Any tardy not meeting the requirements for "excused tardy" shall be considered an unexcused tardy. A student who arrives after 8:20 a.m. without EXEMPTS will be considered **tardy-truant**. Each tardy-truant will be considered unexcused and will be subject to the absence procedures along with truancy mediation procedures. A student will receive an unexcused tardy if they return late from lunch unless proper documentation is provided, ie doctor's note.

When a student has accumulated **three unexcused tardies/tardy truants**, the parent/guardian will be notified. When the student has accumulated five tardies/tardy truants a consequence may be assigned. A conference may be requested with the parent/guardian to determine the nature of the tardies/tardy truants.

Any parent wishing to be a parent chaperone must have a background check on file with the office.

### FREEDOM OF EXPRESSION

Students may freely express their points of view provided they do not seek to coerce others to join their mode of expression and provided they do not otherwise intrude upon the rights of others.

Obscene, lewd, vulgar, offensive, inflammatory, or defamatory expressions will not be tolerated. Staff members hearing such language, or witnessing such activity should report the incident to an administrator. Students found to be in violation of this section will be subject to disciplinary action.

### HEALTH POLICIES

There are several health services that will be available to your child during the school year.

The Speech and Hearing Clinician will conduct hearing testing on 4<sup>th</sup> graders, all new students, and by request. Speech screening will be done for all new students and referrals. Parents will be informed of the testing results only if further examination is indicated. If for any reason during the school year you wish your child's speech or hearing checked or rechecked, please contact the speech clinician.

Our school nurses will conduct vision screenings on 5<sup>th</sup> graders, all new students, and by request. Parents will be informed of the testing results only if further examination is indicated.

For your child's protection and the protection of the other children, we are asking you to help us by doing the following:

- a. Please keep your child home:
  - ◆ Until the student is fever free for at least 24 hours without medication.
  - ◆ If there is an undiagnosed rash.
  - ◆ If eyes are inflamed or have a white discharge.
  - ◆ If coughing, sneezing excessively, or has a runny nose or sore throat.
  - ◆ Until vomiting and diarrhea free for 24 hours.

- b. Please inform the school nurses if your child contracts a communicable disease, e.g. chicken pox, strep throat, fifth's disease, etc.
- c. Fresh air and exercise are important for good physical and mental health. Please help your child dress appropriately for the weather so that he/she will be comfortable during the recess period.
- d. Doctor's notes and medical restrictions need to be submitted to the nurse with beginning and end dates.
- e. If a child is unable to participate in PE due to a doctor's note, they will also not be able to participate in recess during that time unless otherwise noted by the doctor.
- f. The nurse is permitted to excuse students from PE for one class period due to illness/injury with a parent note. Any additional days needing to be excused from our PE curriculum will require a doctor's note.

Parents are asked to complete a health form yearly. Additionally, if your child needs to take medication at school, parents must deliver it to the nurse's office. Students are not permitted to transport medication. Please put your child's name, grade, and teacher (if possible) on all health forms and medication permission slips.

All students attending West Lafayette Schools are required to be in compliance with the immunization requirements of The State of Indiana. All students found to be non-compliant will receive notification from the school nurse. Following notification, a student will be given a period of 20 school days to become compliant. Religious Exemptions to immunizations must be submitted annually in writing. Medical exemptions are considered permanent. In the event of a disease outbreak, any student who is not fully immunized will be excluded from school for a period to be determined by The Tippecanoe County Health Department.

**SPECIAL NOTE:** The school nurse or school personnel are not allowed to give **any** prescription medication unless a legal guardian brings a written doctor's order and a written parental authorization to school. Include specific instructions regarding dates, times, and dosage. **All medications** must be in the original container. If you have any questions, please contact the nurse at 269-4304.

## **INAPPROPRIATE USE OF TECHNOLOGICAL HARDWARE AND SOFTWARE**

In consideration for being allowed access to the West Lafayette Community School Corporation network, including its computers, related hardware, and communications devices to other networks, students must sign and agree to the rules and regulations outlined in the West Lafayette Community School Corporation Network Use Agreement for Students.

Unauthorized viewing, changing, or reconfiguring electronic or hard copy of official school records or information is prohibited. Students will not use hardware designated for faculty/staff without permission being granted by the primary faculty/staff user.

### **CUBBIES/DESKS**

Indiana statutes authorize and regulate student locker/desk searches in the public schools.

The principal shall authorize opening and inspection of any locker or desk in the school building, if in his/her judgment there is a clear and present danger to other persons or property or if there is reasonable cause to believe that materials, forbidden by law, school policy, or school rules, are contained therein. If possible, the student whose locker/desk and contents are being inspected shall be present except in the case of a general opening and search of the lockers of all students.

### **MESSAGE TO STUDENTS DURING SCHOOL HOURS**

Please refrain from calling the office or the classroom to give your child a message unless it is a real emergency. Your plans for the day should be complete before your child leaves for school in the morning.

## **NETWORK INSTRUCTIONAL PHILOSOPHIES AND USE GUIDELINES**

### **Philosophy:**

The West Lafayette Community School Corporation recognizes that the Internet and other electronic databases available over our NETWORK offer vast, diverse and unique resources to both students and staff members. Our goal in providing this service is to promote educational excellence by facilitating resource sharing, innovation, and communication. The NETWORK will be used to support goals and objectives that are stated in the curriculum guides for the school corporation. With access to computers and people all over the world also comes the availability of material that may not be considered to be of educational value, in the context of the school setting. The intent of our acceptable use policy is to ensure that all use of the NETWORK is consistent with our stated purpose and goals. Students must apply for a Network Account. Users of the NETWORK must agree to the guidelines in the "NETWORK USE AGREEMENT (NUA)". The NUA is provided so that students and parents are aware of the responsibilities they are about to acquire.

Availability of the school district's NETWORK and Internet-related policies and procedures: information about the NETWORK and Internet policy has been published in the corporation's Newsletter. Each student who needs NETWORK access must return a parent-signed NUA. Copies of NUAs and other information are available in school

packets, student handbooks, and upon request in the schools' offices.

### **Sanctions taken should violations of the NUA occur:**

The privilege of using the NETWORK and/or the Internet will be suspended for the student. The student may receive disciplinary action resulting from violations of the schools' Code of Conduct. Legal action may also be taken. For your information the INDIANA CODE is cited in this document. NETWORK privileges may be restored after a review by the schools' administration.

### **INDIANA CODE:**

#### **IC 35-43-1-4 (b) Computer Tampering**

A person who knowingly alters or damages a computer program or data without consent of the owner commits computer tampering, a Class D felony. For example...John uses Fred's password without permission and enters Fred's area to change or delete files. Up to \$10,000 fine and 3 years in jail.

#### **IC 35-43-2-3 Computer Trespass**

A person who knowingly accesses a computer or network without consent of the owner commits computer trespass, a Class A misdemeanor. Anytime a student logs in as someone else, without permission of the system owner, computer trespass has been committed. Up to a \$5,000 fine and one year in jail.

### **Parent rights regarding Internet use**

Students will only get Internet privileges when the parent or guardian signs and returns the NUA. When the student returns the NUA with the parent's or guardian's signature and choices, Internet rights will be assigned. The teachers will give students who do not have Internet access alternate assignments.

### **Internet usage**

Students will need permission from a faculty or staff member to use the Internet. All areas where students access the Internet are supervised.

### **The educational value of student Internet use**

The school board has demonstrated their responsibility by approving the NUA and the schools' curriculum. The parents demonstrate their responsibility by signing the NUA. The staff and faculty demonstrate their responsibility by supervising Internet access and by following the curriculum guides. In effect, all groups share the responsibility for the educational value of the use of the Internet. Due to the dynamics of the Internet, teachers may require students to use a variety of services provided by outside/3rd party entities. By signing this NUA, you agree to allow your student to set up accounts with such services (e.g. Google Apps, Prezi).

### **The school district's Internet-related policies and procedures availability**

Information about the NETWORK policy has been published in the corporation's Newsletter. Each student who needs NETWORK access must return a parent-signed NUA. Copies of NUA's and other information are available in school packets, student handbooks, and upon request in the schools' offices.

7. I understand use of the NETWORK is a privilege and that WLCSC at any time and for any reason or for no reason may discontinue general access to the NETWORK or rescind my privilege of using the NETWORK.

**I understand that if I violate any provision of this Agreement or refuse to follow any direction given to me by a system administrator, at the discretion of WLCSC or a system administrator, my privilege of using the NETWORK may be revoked, other disciplinary action may be taken, and legal action may be taken against me.**

### PARENT INVOLVEMENT

Parents are always welcome at West Lafayette Intermediate School. Any parent wishing to volunteer in the classroom or on a field trip must complete a background check at least two weeks in advance. There are many opportunities to volunteer including helping with Parent Council programs, serving as room parents, assisting with class projects, presenting topics of interest or just visiting. Parents wishing to visit their child's class are requested to make arrangements at least one day in advance.

### PARENT/TEACHER CONFERENCES AND COMMUNICATION WITH YOUR CHILD'S TEACHER

At the present time, we do not have set parent/teacher conferences in the school calendar. Parents may request a conference by contacting the teacher. Arrangements should be made in advance so that the teacher will be able to give you adequate time and attention. Allowing 24 hours for responses is often a good idea. Responses to email or phone messages in all likelihood will happen more quickly than in one day's time, and please do not think we are ignoring your inquiry if it takes a bit of time to return a call or an email.

If you leave a message or send an email and you do not hear back from the teacher (or principal) within 24 hours PLEASE call again – we sometimes have technology glitches and we have "lost" information due to technical or even human error.

### PHYSICAL EDUCATION REQUIREMENTS

Each student will participate in PE twice a week. Please make sure your child is wearing gym shoes on PE days. Students aren't allowed to wear boots or sandals while participating in PE. Also, please send any notes regarding PE participation to the nurse. The nurses will communicate any restrictions to all pertinent staff members. Should your child require more than one absence from our PE curriculum for any given medical condition, the school nurse will require a note from the student's health care provider. The note needs to include the extent of the restriction (what the child can or cannot do) and the duration of the restriction (start and end date).

### QUEST

Quiet Uninterrupted Educational Study Tables (QUEST) meets daily 2:30 p.m. – 3:30 p.m. in the homework club room Monday thru Thursday. This is a **teacher** referred program to help students that are struggling to complete

their homework nightly. A certified teacher, as well as, Federal Work Study students and Purdue volunteers help the students with their homework during this hour. The teacher needs to submit a QUEST referral form as well as have the student's parents fill out a QUEST form that will require parents to commit to the days their child will be attending.

### RECESS

Recess is an important part of the school day. Recess is held outside except during severe weather. Please have your child dress appropriately. In general, recess will be held inside if the temperature is below 20 degrees F. ~~Parents may request in writing that their child stay inside following an illness.~~

### REPORT CARDS

We have four reporting periods. Each lasts approximately nine weeks. Parents will generally be emailed instructions on how to access their child's report card via Skyward on the first Friday, after the end of the grading period, unless the grading period ends at the start of a school break. i.e. Winter Break, Spring Break. Please follow these instructions for accessing your child's report card via Skyward:

1. Log into Skyward
2. Select Student Documents
3. Once in Student Documents, select attachments.
4. You should be able to view your child's report card.

The final report card of the school year will be mailed home to parents.

### SCHOOL CANCELLATIONS/DELAYS/EARLY DISMISSALS

School cancellations and delays are announced early in the morning. Information regarding school closings and delays can be found on the Corporation Website, ([www.wl.k12.in.us](http://www.wl.k12.in.us)) WLF1 TV-18 News and their website, local radio stations, and by updating your information for Skylert at the beginning of the school year.

West Lafayette Intermediate School is part of the West Lafayette Community Schools (NOT Tippecanoe County Schools or Lafayette Schools). On rare occasions, school is dismissed early for weather emergencies. We recommend that you develop a contingency plan for your child since it is impossible to contact all parents in such cases. Please know your plan in advance and share this with the school and your child.

Please, do not call the school in regards to school closings, instead use the above resources. Also, be aware that the Superintendent makes these decisions, and our school office does not make the decision to close school nor do we receive the information early in regards to school closings or delays.

### SIGN OUT

To provide the safest care for our students, please always sign out in the office when taking a student from the building. If your child returns before the end of the school day, he/she must check in with the front office. All students will remain in their classrooms until your arrival at school.

### STUDENT COMPLAINTS AND GRIEVANCES

It is the tradition in this School Corporation that education is best served when parents, students and teachers communicate with each other on matters of mutual concern. When problems occur, it is recommended that parents and/or students talk directly to the specific staff member involved rather than to a third party.

### TRANSPORTATION

1. BICYCLES
  - ◆ Bicycles must be parked in the racks provided.
2. SKATEBOARDS, SKATES, ROLLERBLADES, SCOOTERS, AND/OR SIMILAR DEVICES
  - ◆ Skateboards, skates, roller blades, scooters, or similar devices are prohibited on school property and should not be brought to school. A violation may result in confiscation of the item.

### BUS INFORMATION/RULES

School bus drivers play a very important role in our children's daily life. Not only do they drive a school bus, which is a huge responsibility in itself, they may listen to a child's story, wipe a tear or nose, encourage a child, discipline a child, and go that extra mile when needed. School bus drivers are very special people.

Please read the West Lafayette Community School Corporation's Policies, rules, and Guidelines for safe school bus transportation with your child. Each year parents receive a form stating that you and your child have read and understand the rules, guidelines and policies for safe transportation. This will need to be signed by the parent or guardian and returned to the school.

The West Lafayette Community School Corporation Transportation policy and Indiana Code state that any resident school students shall be transported to and from school which he/she attends at the beginning and at the end of each school day if that school is beyond the distance specified below.

1. Students enrolled in kindergarten through 12<sup>th</sup> grade that live **MORE** than one mile from school are eligible for transportation to and from school. Kindergarten students who attend half (1/2) day shall be transported one way. Midday transportation for half (1/2) day kindergarten will not be provided.
2. Students who live less than one mile from school may be transported if subjected to extreme safety hazards when walking to and from school. Working together, school administration and the transportation department will determine this.
3. Collection points may be established along routes within reasonable walking distances from residence of students.
4. Transportation shall be provided as required by law for handicapped children and those attending special classes.
5. In the event that a bus cannot operate but the school is in session, the students are expected to attend if possible.
6. Eligible students will be picked up and dropped off only at a point in the area designated by the West Lafayette Community School Corporation.

- School bus routes, times, and drivers are subject to change.

### STUDENT MANAGEMENT

"All school children, while being transported on a school bus, shall be under the supervision, direction and control of the school bus driver, and shall be subject to discipline of the bus driver and governing body of the school corporation". (I.C. 20-9.1-5-19)

Before submitting a Bus Conduct Report the driver will strive to resolve all behavioral problems at the lowest level.

- First Offense**
  - The driver fills out a Bus Conduct Report form. One copy will be kept in the office and one will be given to the transportation director. The student is given a warning and informed of the consequences if rules are broken again. Parents are contacted through Skyward.
- Second Offense**
  - The driver fills out a Bus Conduct Report form. One copy will be sent home to the parents, one will be kept in the office, and one given to the bus driver. The principal or transportation supervisor will determine the length of suspension from the bus, if any.
- Third Offense**
  - The driver fills out a Bus Conduct Report form. One copy will be sent home to the parent, one will be kept in the office, and one given to the bus driver. Recommended suspension may be for a longer time or may be permanently suspended from riding the bus.
